15th August

Hi Joanne!

I'm on holiday this week with my family in Fuengirola. I'm writing this postcard on the beach! I'm lying in the sunshine and I'm not thinking about school or exams or anything like that! It's great!

We're staying in a really nice hotel next to the beach. It's huge: there are ten floors. It's got a swimming pool, a bar, a restaurant and entertainment every night. There's a disco too every evening - it's really cool and they play some great music. I'm going tonight and I'm singing in the karaoke at 10pm. Oh no! I'm feeling a bit nervous.

At the moment my dad is swimming in the sea. He's a terrible swimmer but he's having fun and he's relaxing, so that's good. My mum isn't swimming with him (she's too embarrassed!)

but she's wearing her new bikini and she's reading a magazine. My brother's playing football on the beach with some new friends. There's one boy there called Pablo and he's gorgeous. I hope it isn't raining in Scotland and that you're having a good holiday too.
Send me a postcard!
Love,
Zoe
